

GRIESBACH COMMUNITY LEAGUE

INTELLIGENCE REPORT

March 2013

Goal Goal Goal Goal Goal Goal Goal Goal!!!! **Griesbach to field over 10 soccer teams in our first year.**

The response to Griesbach's first ever youth soccer registration has exceeded all expectation. Following our third (and final) formal registration it looks like we have enough kids for at least 10 Griesbach-based teams. It's a real testament to our young, growing community.

Our teams will be part of the Edmonton Minor Soccer Association (EMSA). The spring season will run from April 28th to the end of June.

If you missed our registration event, email Amanda, our Sports Director (griesbachsportsdirector@gmail.com). We'll do our best to accomodate last minute signups within our community.

Based on initial numbers, it looks like we will be fielding the following teams (to be confirmed):

U-4 (Under 4): 3 teams, **U-6 (Under 6):** 2 teams, **U-8:** 1 team, **U10:** One girls team, one boys team
U12: One girls, one boys

In cases where we don't have enough kids to field our own teams, we will be partnering with teams from Caernarvon We're in the process of choosing distinctive uniforms for our older players (U-10 and older) and have settled on punchy an stylish flourescent green. More details to follow. A big thanks to Amanda, Brad, Brett and Kane for all your work to make this all possible.

Join the Griesbach Neighborhood Watch Google Group

<https://groups.google.com/forum/#!forum/griesbach-neighborhood-watch> (click link)

Neighbourhood Watch Director, Vic Malhi, and his volunteers have set up a Google Group where residents can read and report comments concerning crime, vandalism and suspicious activity in our community – while sharing ideas and suggestions for keeping our community peaceful and safe. Visit the URL above to view topics. Those who have a gmail account can register to join and will be added to our email list.

Moving forward, we are looking to introduce neighbour watch signs to the community, where residents who have been vetted can post a sign on their home – indicating a safe place for children to turn to in an emergency. Learn more at: <http://enwatch.ca/page/signs-1>

Oh, we'll be looking for items for a silent auction. If you have any cool stuff (that will attract the bids) to donate contact Judi: griesbachsocialdirector@gmail.com
