ART WALK
20 Artists en route

Just when you thought it couldn't get any BIGGER or any BETTER. Griesbach's Annual Shake At The Lake defies all expectations. This year, we're thrilled to add to the excitement with the all-new **Griesbach Art Walk**. Take a stroll along Bedford Basin down to the naval platform. Twenty artists will have their work on display (and yes, pieces will be available for sale). Also for the adults, our **beer garden** is back and we have a full band: **Hallihan**. They're a little bit country, a little bit rock & roll, and a whole lotta fun.

Of course, there's no shortage of things to do for the kids. We've lined up **three bouncy houses, facepainters, a balloon artist and games**. Once again, the fire department and PPCLI will be bringing down vehicles to keep kids in awe. Plus we're pleased to announce a little local flavour to our **food trucks**. The owners of Nhon Hoa live in Griesbach, and their Vietnamese subs are out of this world. Fat Franks is back to fix your hot dog craving, and hopefully we'll have ice cream!

It's Griesbach's biggest party of the year. Don't miss out. Best of all, the activities and entertainment are **FREE**. While you're down, **be sure to get your Griesbach Community League Membership**. Your support helps us put on more great events and activities just like this. Just \$25/ household.
